Dear Parents/Guardians:

We look forward to another great year of our summer youth camp! Our major focus is on teaching the Gospel of Jesus Christ complemented by other activities and interactions with trained staff and leaders. It's time for your student to make new friends and deepen their relationship with Jesus and other youth age friends. Send your student for an exciting week of swimming, group game times, water adventures, a hike through the wood/river, and free time each day to play a multitude of sports, complete crafts, or just relax in addition to Gospel-centered services including prayer, singing, and teaching. We even have a "Wednesday Night Live" that allow students to perform a skit, song, dance, or drama for everyone to enjoy. Camp will be the highlight of their summer not only with games, activities, and hanging out with other students, but more importantly with what having a personal relationship with Jesus can mean in your life.

We are making an effort to get a firm count of how many students are coming by July 9th so we can do a better job at having the right amount of food and the proper shirt sizes for all attending. We never turn anyone away, but if your form and deposit are not on time, we cannot guarantee a shirt in the correct size for your student(s).

We will be leaving the church (Moshannon Valley Community Church) on Sunday at 4 PM. We will return to the church by around 2:00 PM on Friday. If you are unable to pick up your student(s) and have made other arrangements, please send a note with your student(s) stating who will be taking them home. Students will contact you as they leave camp to provide an accurate arrival time at each center.

Thank you very much,
NRM Staff

Cell Phone Policy

PARENTS/GUARDIANS: PLEASE READ

In recent years, it has become increasingly difficult to separate students from their mobile devices. While we understand the convenience of having a single device that can play music, take pictures, record videos, and make phone calls/send messages, those same devices become problematic when they are used to view inappropriate content on the internet, create and sustain drama amongst students at camp, and constantly use social media outlets during message and instructional times. Little Mahoning Bible Camp does not offer Wi-Fi, but students with unlimited Data and a cell signal have unfettered access to the internet and can create mobile hotspots for others to use.

With this in mind, our aim is not to single anyone out but to help the students to unplug for the week. We will be requesting that students limit their cell phone use to designated times, and if any individual cannot abide by these requests, we reserve the right to take their phone away. This is not something we like to do, but in consideration of the safety and enjoyment of the whole camp, we will do what is necessary while striving to keep the dignity of any individual involved.

You can help us have a successful summer camp by having a conversation with your student(s) about this policy. We appreciate your partnership with us as we do our best to share the love of Jesus Christ with your student(s) in an environment free of distraction.

Sincerely,
Kevin Howard, CVBA Camp Director
